

Safety Sleuth

Sign up for the Safety Sleuth Program and Student Project Sponsored by PSEG Long Island

This exciting FREE program teaches students skills that they need to be safe at home, outdoors and in public places. Throughout the lessons and activities, they practice these skills and learn to LOOK, THINK, DO and then, SHARE what they have learned.

Safety Sleuth Program Details

- Grades 1-4 in Nassau, Suffolk and the Rockaways
- Program runs from October 2021 through February 2022
- Standards-aligned curriculum includes two lessons and a student project incorporating New York State learning practices for Science, Social Studies and Social Emotional Learning
- Participating students receive a student safety workbook, certificate and badge
- Teachers will receive a Welcome Packet and Teacher Guide
