

High School Program & Student Challenge ~ Spring 2023

PSEG Long Island is excited to sponsor this engaging environmental program.

Students Will:

- Understand the importance of environmental conservation
- Study issues impacting the local environment
- Construct a plan to advocate for the environment
- Inspire others to act by creating a video PSA

Details:

- Students grades 9-12, in Nassau, Suffolk, and the Rockaways
- 4 lessons, PBL, standards aligned
- Project Challenge with prizes
